

### DEPARTMENT CONNECTION

The City Planning Department and the Cultural Heritage Department are closely connected on the second and third floor.

### ARCHIVE ELEVATORS

Designated archive elevators connect from the City Planning the Cultural Heritage, the Land Issues and the Municipal Engineering Department directly to the heart of the archive in the basement.

### COURTYARDS

The seven grand light wells allow daylight to enter the market place at the groundfloor.

### PANORAMIC VIEWS

The large openings offersviews of the entire city from within the offices in the Town Hall.
